HITACHI NR83A 22° FRAMING NAILER

Code
98W100

PALM NAILERS

Advantages

- Eliminates bent nails.
- Eliminates Carpenters Thumb.
- Eliminates mis-directed hammer blows.
- Eliminates inspection problems.
- Guarantees accurate/precise nailing.
- Reduces fatigue.

Benefits

- Easily operates in confined areas.
- Light weight.
- Low cost.
- Sale-cannot misfire nails.
- Capable of driving any nail from 700 spikes to small finishing nails with equal ease and accuracy.
- Variable depth control.
- Backed by one of the strongest warranties in the industry.
- Designed by tradesmen for tradesmen.
- Made in America using only American made components.
