MERX QUICK GATE™ HINGE

- A 1 piece 36" hinge constructed of a pre-drilled arm of flat steel and a pre-drilled 4" x 4" post clamp that never allows the gate to sag.
- Pre-drilled holes for quick and easy installation with any type or size of planks or framing materials.
- Gates can be built with minimal or no framing.
- Saves time by simplifying construction.
- Replaces conventional hinges.
- Compare the alternates for cost, construction time and end product quality.

Size	Qty	Code
36"	EA	9SHINGE
